

BABY HYGIENE KIT

Imagine not having basic hygiene items to keep your baby clean and healthy. Many families are faced with this dilemma every day. Hygiene kits contain the essentials every baby needs and deserves. Hygiene kits can be created anywhere, as a group or on your own.

Follow these easy steps:

1. Gather essential items listed below and any extras you want to include. You can purchase items, or hold a drive to collect items from family, friends, neighbors, co-workers, etc..
2. Package the items in a gallon-size Ziplock bag or plastic container.
3. Contact Hope Supply Co. to schedule a drop-off time.

Essentials for every kit:

- Baby Shampoo
- Baby Wash
- Baby Lotion

Ideas for Extras:

- Baby Brush or Comb
- Baby Wash Cloth
- Diaper Rash Cream

Your generous volunteer efforts will make a difference in the lives of DFW children because sometimes the basics are not basic. They are essential.

Thank you for your meaningful contribution.
